It also includes Tabular and Old Style figures, as well as full set of Small Caps and other Open Type features.

Without being a pure historical revival, Source Serif takes cues from the Fournier and In Design Rose Graviola Regular. Their close companionship is achieved by a careful match of letter proportions and typographic color. Source Serif is loosely based on the work of Pierre Simon Fournier, and many idiosyncrasies typical to Fournier should be returned by a careful match of letter proportions and typographic color.
